

Answer Key

Selection Quiz, page 13

Responses will vary. Possible responses are provided.

1. She dislikes it. She misses her old friends and the town where she grew up. She hates the beautiful historic house her parents have moved into. She's lonely.
2. She's tired of moping in her room, and she secretly enjoys grocery shopping.
3. His clumsiness is a wonderful contrast to her perfect new home, which she hates.
4. The hope of seeing him again helps her stop thinking about the past and start thinking about the future instead.
5. They ignore each other.
